Body Just so you know, I'm not meaning to sound rude, hard to have tones over text. Never ever? So do you condemn the revolutionary war? Do you disagree with the 2nd amendment? This country was founded because of political violence, they overthrow the tyrannical government and won their freedom. Without violence, you wouldn't be in this great country. I hope it will become clear to you what's at stake, socialism under a Biden administration will drive this country into the ground. But let's agree to disagree. No hard feelings, goodnight. Yeah hopefully we will see you guys soon it's been awhile with everything going on
